FRANKFORT, KENTUCKY, MAY 10, 1861.

NO. 152.

THE TRI-WEEKLY COMMONWEALTH  
will be published every Monday, Wednesday and Friday, by  
A. G. HODGES & COMPANY,  
At FOUR DOLLARS PER ANNUM, payable  
in advance.

THE WEEKLY COMMONWEALTH, a large mammoth sheet, is published every Tuesday morning at TWO DOLLARS PER ANNUM, in advance.

Our terms for advertising, either in the Tri-Weekly or Weekly Commonwealth, will be as liberal as in any of the newspapers published in the west.

## The Frankfort Commonwealth.

A. G. HODGES & CO., PROPRIETORS.

J. H. JOHNSON, Editor.

The Proprietor of the Commonwealth, grateful for the generous patronage which has been bestowed upon them, are determined to furnish their patrons a journal which shall be unequalled in any of the departments which comprise a first class newspaper.

Published at the Capital of the State, it will be enabled to furnish its readers with the latest intelligence of the actions of the higher courts and of the various departments of the State. It will also contain the latest telegraphic news of stirring events, and also of the New York, Cincinnati, Louisville and New Orleans markets.

In politics the Commonwealth will be conservative, occupying a middle and antagonistic ground in reference to the two extremes. The old parties broken up, and old issues virtually dead, the vital question at present is Union or disunion. The Commonwealth is for the Union, believing it to be the greatest safeguard for our rights, as well as our most effective auxiliary in our efforts to obtain redress for our wrongs. Its conductors do not regard disunion as a remedy for any of the wrongs of the South, but rather an aggravation. It will contend for the equality of the States in the Union, and for the absolute non-interference by Congress with the domestic affairs of the States and Territories.

We shall aim to make the Commonwealth an acceptable and appropriate fireside companion. It will contain selections from the choicest literature of the day, prose, poetry, &c.

The WEEKLY will be printed on extra double medium paper, in new and beautiful type.

Terms, in advance, for the Tri-Weekly, \$4 per annum.

Terms, for the Weekly \$2 per annum.

IN SENATE.

TUESDAY, May 9, 1861.

The Senate was opened with prayer by Rev. W. McD. ABBETT, of the Methodist Church.

The Journal of yesterday was read by the Clerk.

A MESSAGE FROM THE H. R.

Was received by Mr. McCarty, the Clerk, announcing the passage of a number of bills originating in that House, in which they ask the concurrence of the Senate.

PETITIONS.

Mr. HAYCRAFT presented the petition of the Baptist General Association of Kentucky, praying for neutrality and peace on the part of Kentucky: ordered to be printed, and referred to the committee on Federal Relations. Mr. FISK presented seven petitions, largely signed by ladies of Covington, on the same subject; read and referred to the committee on Federal Relations. Mr. ANTHONY presented a petition of citizens of Warren county, praying for the passage of a relief law suspending the holding of courts in civil cases: referred to the Judiciary committee.

Mr. ANDREWS stated that the committee on Military Affairs had met on yesterday, and found that it was necessary to have more time to perfect the business before them, and he moved the Senate now adjourn, to enable the committee to have the whole day for conference and consultation.

And then the Senate adjourned.

HOUSE OF REPRESENTATIVES.

TUESDAY, May 9, 1861.

Prayer by the Rev. B. T. Lacy, of the Presbyterian church.

The reading of the Journal of yesterday was dispensed with.

MEMORIALS FROM LADIES.

Mr. RODMAN presented the memorial of three hundred and forty-five ladies of Frankfort; Mr. FORBES the memorial of fifteen hundred ladies of Mason county; Mr. GOODLOE the memorial of one hundred and one ladies of Midway and vicinity; and Mr. BURBRIDGE the memorial of three hundred and twenty-four ladies of Bourbon county, praying that Kentucky may be permitted to maintain an armed neutrality, which were referred to the committee on Federal Relations.

PETITIONS

Were presented by Messrs. WOLFE and BURBRIDGE, and appropriately referred.

On motion, in order to give the committee on Military Affairs an opportunity to meet during the day,

The House adjourned.

Flag on the Cross of Trinity Church.

On last Thursday week, says the New York Journal of Commerce, an intense and painful anxiety was caused in the breasts of thousands of spectators on Broadway and Wall street, by the appearance of a man in the act of climbing Trinity church steeple. The intrepid individual emerged from the topmost oriel window, from which a pole, with the American flag on the end of it, has for some time been exhibited, and, catching firm hold of the fretted stone work, commenced slowly to ascend. As he mounted higher and higher, the diminishing diameter of the steeple made the task easier, and enabled him to quicker his steps. In a few moments he had reached the foot of the cross, and, hanging to that firm object was safe. At this point the repressed excitement of the eager watching throng found vent in loud cheers, which the venturesome climber acknowledged by waving his hat. The object of his hazardous undertaking became apparent, for he could be seen fastening a flag to the foot of the cross, as a preparatory step for the raising of a flag to the highest artificial point in this city. The object of his exploit having been achieved, the climber groped his way down; and every observer felt a great deal better when he had reached the little oriel window, and crawled in again.

MIDNIGHT DEPRADATION.—We understand that some vile miscreants entered the office of the Nicholasville Democrat, on Saturday night, when the whole town was wrapped in sleep, took from the office its cases of type, and emptied them into the street. The Louisville Courier says it was done by a mob. Not a word of truth in it. It was done stealthily, under the cover of midnight darkness, and the scoundrels thus shielded themselves from discovery and responsibility. The same paper says that "the Democrat was conducted by two Ohioans, who had by their conduct made themselves exceedingly obnoxious to the people in that vicinity." This is also untrue. The paper is owned and conducted by Dr. John Welch, a native Kentuckian, an excellent gentleman, who is as ardently devoted to Southern Rights, at the same time that he is not for going out of the Union to find protection for them, as the loudest clamors for Southern rights in the secession party. The act was cowardly and malicious; and if the perpetrators are discovered, they will have to find "their rights" in a more congenial climate than that of the patriotic county of Jessamine.

We are gratified to hear that the loss to Dr. Welch is trifling, the labor of re assorting and arranging the type being the principal item.—*Lex. Obs. & Rep.*, 8th.

FEMALE VOLUNTEERS.—The Philadelphia Inquirer says:

It confidently asserted that a gentleman and his wife have enlisted in one of the regiments about to proceed to Washington, and that they have entered their names upon the roll as brothers; the lady is the exact size of her husband, and wears a suit of his clothes. She is determined to go with him through the war, and to die with her husband, if need be. They have no children.

CAPT. LAM'S BODY FOUND.—It will be gratifying to the many friends of Capt. Wm. Lamb, of the ill-fated steamer Pacific, to learn that his body was found on Monday last, about one-half mile below Unington. The accident to the Pacific, by which his life was sacrificed, occurred on the 18th of November. The remains will be brought to this city for interment.—*Lou. Jour.*

Excellent advice is contained in a quaint speech of Hon. James Craig, at St. Joseph. "Put ice in your hats, and not cockades on them." There is altogether too much excitement in the brainless heads of a good many who run about the streets, with seemingly no other object than to work themselves and others into a foolish fever. Let them put ice in their hats."

From the St. Louis Republican, 6th Kentucky.

### SPEECH OF REVERDY JOHNSON.

BALTIMORE, May 7.

The Union demonstration at Frederick today was a grand affair. Hon. Reverdy Johnson, in behalf of ladies, presented a flag to the Home Guard, which had 130 members present, besides a large and enthusiastic gathering of the people.

Mr. Johnson said: In the original causes

which have produced the present emergency, Maryland has had no share. Her people were, and now are, zealous in support of the constitution and the government, which they were foremost in forming and adopting. No threat of treason has ever been whispered within her limits, while the blessings and advantages of the Union have ever been fully estimated and appreciated. The loss of these advantages, it is felt, would be utter ruin. In this ruin all the States would more or less share, but our geographical position would make us, in immediate and total separation impossible, but for the resistance to its just and legal authority. The Government had given no cause, and had the friends of constitutional rights remained at their posts in Congress, the power of the Government to transgress its authority could have been effectually thwarted.

The leaders of the rebellion were actuated by an insatiable thirst for official power. The fact is evinced in the elevation to place, of all, who have deserted official positions, or plotted treason. They may as well strike at the heavens with their arms against the American Union. Defeat was certain to rebellion.

The free States, according to the last census, have 3,778,000 males between the ages of eighteen and forty-five. The slave States have 1,665,000. The seceded States, exclusive of Virginia, had only 536,000; and the difference in wealth is proportional to that of men.

With such a vast disparity, the end of the struggle is beyond doubt. It was the aim of the South to confine the war to the border States. Mr. Cobb was, even now, congratulating them on the removal of it from their midst, but Maryland should frustrate this cowardly policy. Let those who have provoked the war bear its entire fruit.

Maryland's proper position is to remain firm in her loyalty to the government. The rebellion leaders have done all they could for Mr. Lincoln's election as the means of precipitating a revolution by the South. They relied for the success of their plans on the intervention of the border States and divisions in the North; but they were short-sighted men.

The first gun fired at a noble and starving garrison was a blow at the national heart, and an united North had sprung to arms in vindication of the flag and for the maintenance of the Government. Heaven forbid that the duty of the vindication should be forgotten by Maryland.

WHEELING, Va., May 8.

A large Union meeting was held at Kingwood, Rosslyn county, on the 4th inst. Resolutions were adopted expressing unalterable opposition to the ordinance of secession, and favoring a division of the State, and to vote for a delegate to Congress. Delegates were appointed to the Wheeling Convention.

Nothing has been heard from the Katahdin region. Advises from various western counties indicate great increase in the Union sentiment. All necessary arrangements are being made for holding the Convention in this city on Monday next. Fourteen counties have thus far appointed delegates. A great deal of enthusiasm is manifested over the receipt of 2,000 stand of Government arms which reached here to-day.

FREDERICK, MD., May 8.

The court-house was nearly destroyed by fire last night. It is supposed to have been a piece of incendiary.

The probabilities now are that the Legislature will adjourn on Friday until the 10th of July next.

At a caucus of the House members last night it was almost unanimously determined to abandon the proposition of a convention.

WASHINGTON, May 8.

It is reported that Ex-Governor Reeder, of Kansas, now of Pennsylvania, will be appointed Brigadier-General in the army.

Lieutenant Jones, who fired the Harper's Ferry Arsenal, is appointed Quartermaster-General, with the title of captain.

The Virginians are not ready yet for an attack on Washington. General Lee insisted that the State line shall not be crossed by Virginians until they are attacked.

FREDERICK, MD., May 8.

It is said that Blanton Duncan, with several hundred Kentuckians, had arrived at Harper's Ferry, without arms.

Four hundred cavalry from Carlisle barracks are en route for Washington.

Governor Hicks replied to the Legislature that he neither authorized nor consented to the destruction of the bridges on the roads.

BALTIMORE, May 8.

Affairs at the Relay House are unchanged to-day. Gen. Butler tried the range of his guns with signal success. Thirty car loads of provisions went to Washington to-day. The trains are all rigidly examined.

The City Council appropriated money to rebuild the bridge at Compton on the Pennsylvania Railroad.

Recruiting for the army is rapidly progressing.

ANAPOLIS, May 8.

Lieut. Crosby, U. S. Navy, arrived here with the light boat which was stationed off Wind Mill Point, and removed by the secessionists. When seen she was 12 miles up the Wicomico river. Her crew had deserted her. Lieut. Crosby reports seeing a large number of cavalry on the shore.

The importance of Annapolis as a military depot is daily becoming more apparent.

WASHINGTON, May 8, 1861.

Mr. Simonton, Times correspondent, was wounded this afternoon by the accidental discharge of a gun, but is not fatally injured.

Excitement exists among the soldiers in consequence of the shooting of one by a policeman. The soldier was probably fatally wounded.

BALTIMORE, May 8.

Several arrests were made of parties charged with participating in the attack upon the Massachusetts troops. Yesterday and to-day there has been a stampede among the suspected; seventy of the rioters have disappeared.

The Legislature did nothing to-day.

PHILADELPHIA, May 8.

A special dispatch to the Post says. The Virginia troops are concentrating in force at Harper's Ferry, evidently intending to resist any attempt by the Government to repossess it.

Excellent advice is contained in a quaint speech of Hon. James Craig, at St. Joseph.

"Put ice in your hats, and not cockades on them."

There is altogether too much excitement in the brainless heads of a good many who run about the streets, with seemingly no other object than to work themselves and others into a foolish fever. Let them put ice in their hats.

No apprehension is felt by the Government of an attack on the fort at Cairo.

PHILADELPHIA, May 8.

Fifty West Point Cadets were detained here last night by the police, on the suspicion they were about to join the secessionists. Information had been received that they had purchased arms in New York.

The mistake was soon rectified, and they proceeded to Washington, where they will be commissioned as Second Lieutenants.

WASHINGTON, May 7.

Major Anderson has this evening, with the consent of the President, accepted the command of the Kentucky brigade.

**THE COMMONWEALTH.**  
FRANKFORT.  
J. H. JOHNSON, Editor.

FRIDAY..... MAY 10, 1861.

EIGHTH CONGRESSIONAL DISTRICT.

For Congress:  
**JOHN J. CRITTENDEN.**

DAILY SESSION COMMONWEALTH.

TERMS.—FIFTY CENTS PER MONTH.  
If any person should pay for a longer time than the session continues, the *Tri-weekly Commonwealth* will be sent long enough to make it up.

The *TRI-WEEKLY COMMONWEALTH* is published at FOUR DOLLARS per year, or FORTY CENTS per month.

The *WEEKLY COMMONWEALTH* is Two Dollars per year.

The *DAILY COMMONWEALTH* can be had at the counting-room at Five CENTS per single copy, or at THREE DOLLARS per hundred. Orders should be left at the office, or with the reporters, on the day before the publication of the particular number of the paper which is wanted.

**CONSULTATION OF STATE COMMISSIONERS.**  
We are requested to announce a meeting of the Kentucky Border State Commissioners in this city on Saturday next, 11th inst., for consultation. It is considered exceedingly desirable that all be present. Let no one of them neglect the important duty.

**Secession Figuring—Where's Dilworth?**  
We find the following in the Russellville Herald, of the 8th:

**Tat Vott of Logan.**—At the election in this county, on Saturday last, for Delegates to a Border Slave States Convention, but one ticket was in the field, and that was the "Union Democratic." This ticket received 944 votes. Every one voted for it who was in favor of it, and hundreds others did the same thing as a token of respect to Mr. Crittenden, who we know to be devoted Southern men, and many of them in favor of immediate secession. All who did not vote for the "Union Democratic" ticket may be safely set down as against it. This being true, according to the tables of total, which we insert below, Logan county has declared against the "Union Democratic" ticket by a majority of 1,104:

Total vote of 1861.	Total vote of 1860.
FOR UNION DEMOCRATIC TICKET.	FOR PRESIDENT & VICE-PRESIDENT'S.
Russellville precinct,..... 45	434
Other precinct,..... 157	220
Fayette precinct,..... 179	195
Harrison precinct,..... 172	237
Gordonsville precinct,..... 211	179
Keyshurg precinct,..... 39	201
Hagan precinct,..... 73	154
Adairville precinct,..... 23	223
Middleton precinct,..... 20	265
	904
	2,008
	904

Majority against "Union Democratic" ticket, 1,104

Now isn't that decidedly rich? It will be seen that the astute editor counts every vote that was not cast for the Border State Convention as a majority over the Union ticket. In other words, he makes the Union men vote for disunion by his patent process of figuring. Let us see. Suppose two tickets had been voted for in Logan county. Of course the Union vote must be taken from the aggregate Presidential vote, which would leave 1,104. Suppose, then, the disunion ticket had received every one of these votes which were not cast for the Border State ticket, the result would have been as follows:

Disunion,.....	1,104
Union,.....	904

Disunion majority,..... 200

A slight difference, but not remarkable for a secession editor. It will be noticed that at one precinct no votes were polled. We are informed that the judges and clerks of that precinct are disunionists, and refused to put the Union ticket on the poll books.

Taking this fact into consideration, and allowing every vote which was not polled for the Union ticket to the disunionists, it will be seen that the secession majority of Logan county is only 200, less the Union vote of the Adairville precinct. Try again.

**Garibaldi on American Affairs—The Hero of Sicily DEPRAVATES DISUNION.**—The Albany (N. Y.) Atlas says Mr. Edwin C. Bull of this city, has received an autograph letter from Garibaldi, which we are permitted to translate:

**Letter from Owlsley County.**

PROCTOR, Owlsley Co., Ky., April 23.

DEAR SIR.—To-day there was a large gathering in this place, to behold the old flag run up, with all the stars and the stripes thrown to the breeze.

The ladies, (God bless them! for they always were for the Union, and the flag of their beloved land,) were the larger part of the gathering, and they, without any direction, made it to suit their notions, and handed it over to the patriotic young men, to be hoisted high up in the air; and how well it was done; and there it still floats with glittering brightness.

One very able and patriotic citizen, Wm. M. Fulkerston, Esq., made the crowd a long Union speech; going through the history of our government, traced with unerring certainty the cause of our troubles, and called on the citizens of Kentucky to let her remain just where she is, until time can be taken to bring about a final adjustment of our dissatisfaction, or let the North have the chance to accept or refuse equitable compromise, and then it would be time enough to strike for disunion and war. And, let me say, in conclusion, that so powerful and eloquent was the effort of Mr. F. that all present, under the sound of his voice, shed tears, and shed them copiously. Then our young and talented James M. Beatty was called to, who appeared and made a few brief remarks, in a most powerful manner.

There will be a very small disunion vote in this Congressional district. I trust this district will not forget Mr. F., as he will be before the citizens for Congress, and as far as I can bear he is the choice of the people.

SPENCER.

CARLISLE, May 7, 1861.

DEAR SIR: The official vote of Nicholas for Delegates is as follows:

John J. Crittenden.....	1,179
James Guthrie.....	1,177
James F. Robinson.....	1,176
R. K. Williams.....	1,074
Archie Dixou.....	1,074
F. M. Bristow.....	1,074
Joshua F. Bell.....	1,074
G. W. Dunlap.....	1,074
C. S. Morehead.....	1,074
John B. Houston.....	1,074
J. Richardson.....	1,074

The total vote cast in the county, is 1,026.

At one precinct, the clerk had none of the names of the candidates except Crittenden, Guthrie, and Robinson upon the Poll Book. There, 102 votes were cast for those three gentlemen. This accounts for the discrepancy in the vote, as between them and the others of the ticket. Respectfully,

W. P. ROSS.

**Editor of Frankfort Commonwealth:**

DEAR SIR:—At our election held in Grant county for Delegates to the Border Slave State Convention, we gave the Crittenden-Guthrie ticket 1,120. At the last Presidential election Grant gave a total vote of 1,486. We lacked 357 votes to carry the entire vote of Grant county. I hope the State has done as well as Grant county.

Very respectfully yours, &c., E. H. SMITH.

"The circuit court for this county is now in session, Judge Bush presiding."

"Among the presentations before the Grand Jury is 'Brownlow's *Knoxville Whig*' presented as an *incendiary sheet*."

We look with scorn and contempt upon this effort to proscribe us, by the secession rebels of Florida. We only call attention to it with a view to illustrate the *vile spirit* of the Southern Confederacy. Any journal that dares to expose their usurpations of power, their arrogant claims, and their refusal to let the people have a vote upon going out of the Union, is an *incendiary sheet*. Drunk on mean whisky—resolved upon oppressing their honest debtors, and being hopelessly insolvent, many of these southern leaders in the wicked work of secession, desire to get up a war of plunder, in the vain hope of bettering their condition. And any paper daring to expose their loose code of morals is an *incendiary sheet*.

**Letter from Spencer County.**

TAYLORSVILLE, SPENCER CO., May 6, 1861.

**Mr. Editor:** The election of delegates to the Border State Convention came off in Spencer on Saturday last, resulting in a vote of upwards of 600 for the Union and eight for the Opposition. In one of the rural districts some eight declared they would break up this Government and succumb to the Southern Confederacy.

The leaders of the Disunion party took water early on the morning of the election on the craft Jeff Davis, built by the architect, John Froman, and commanded by Captain L. Blanton, the fisherman, who is a zealous fire-eater, James P. Beard, Captain's mate, John S. Howard, Pilot, J. Y. Poignant, First Clerk, John Froman, Mud Clerk, R. C. McKee, barkeeper, Solomon Norman, Engineer, George W. Anderson, head cook and fisherman, John W. Wakefield, second cook, William L. Barker, fireman, Coleman Cain, porter, William H. May, steward, Benjamin T. Wells, boot-blacker. A better set of officers or a more jolly crew never commanded a craft of the kind, who, upon reaching the head waters of Salt river, in the county of Anderson, met with congenial spirits, who, having gained their sober senses, advised them to return to their first love—the Union—and part have failed to return, for the reason that war might ensue, and they would be compelled to face the music.

**Resolved,** That this is not the time, nor is the present Legislature the authorized body to take any steps whatever to dissolve the Union; but, on the contrary, we take this occasion respectfully to remind them that they were elected two years ago, and to urge them to confine their actions to the purposes for which they were elected.

**Resolved,** That, in succession or a dissolution of the Union, no remedy exists for any evils or wrongs complained of by Kentucky or any of the southern States, but, on the contrary, all of them, in our opinion, are greatly augmented.

## Ayer's Sarsaparilla

A compound remedy, designed to be the most effectual Alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alternative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strained complaints, and that one which will accomplish this cure must prove of infinite service to this large class of our afflicted fellow citizens. How completely this compound will do it has been proven by experiment in many of the worst cases to be found of the following complaints:

SCROFULA AND SCROFULOUS COMPLAINTS, ERUPTION AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALV RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AFFECTIONS, MERCURIAL DISEASE, DROPSY, NEURALGIA OR TIC DOLOUREUX, DENTISTRY, DYSPIASIA AND INDISTINCTION, ERYTHROPSIA, ROSE OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the plenteous expulsion of them many rankling disorders are nipp'd in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alternative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimplies, eruptions, or sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this parabola of life disordered, the cure can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing else.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever.

Physicians who use Wines and Liqueurs in their practice should give the preference to these articles.
